Half-year financial statements as at 31 October 2026: clarification of the financial calendar

Geneva, 15 October 2026

Infomaniak SA (formerly Perrot Duval Holding SA) informs its shareholders and investors that it will not publish half-year financial statements as at 31 October 2026. The publication date of 10 December 2026 is therefore removed from the financial calendar.

This date corresponded to the historical calendar of Perrot Duval Holding SA, whose financial year closed on 30 April. Following the reverse takeover (RTO) and the change of the company's name, the financial year is now aligned with the calendar year and will close on 31 December. Interim financial statements as at 31 October would not reflect the economic activity of the new group and would not provide a relevant basis for comparison.

The half-year financial statements of Infomaniak Group SA as at 30 June 2026, which constitute the relevant reference for assessing the course of business, have already been disclosed in the prospectus.

The next publication will cover the annual financial statements as at 31 December 2026. This change has been confirmed by SIX Exchange Regulation.

The updated financial calendar and Infomaniak's public documents are available at infomaniak.com/gtl/investors.
